## FOLLOW THE WHITE BUNNY FREE PATTERN

## Scrappy Owl Ornament

## **Supplies**

- Small pieces of felt (3 colours)
- Scraps of fabric
- Embroidery floss
- Ribbon or Ric Rac
- Embroidery Needle
- Sewing Machine (or hand sew)
- Scissors

Try to match the colours of your fabric, floss and felt!

## How to make your Scrappy Owl Ornament

- Start by cutting out the pieces of felt as indicated.
- Arrange your scraps of fabric, preferably a few different prints/colours, to cover a little over half the front of the owl. Pin to keep them in place. Now I've folded the top scrap fabric inwards a bit but you really needn't worry about the fraying of the fabric. The frayed edges will give the owl a nice fuzzy look! If you don't like that fold the scraps around the sides of the front of the owl before you sew them on.
- Sew the scraps on. For this I used the sewing machine. I've used a normal 'straight' stitch for the top fabric and decorative zig-zags for the other fabrics. Use a small zigzag (where stitches are closer together) for less (or no) fraying on your owl.
- Sew the oval shaped face on. Again I used a sewing machine for this. Go very slowly around the edges.
- Embroider eyes and beak on with 3 strands of embroidery floss and a satin stitch
- Sew the triangle shaped top of the owl's head on.
- Sew the front and back of the owl together (with a loop of ribbon or ric rac pinned in between) and carefully sew all around your owl.
- Your Scrappy Owl Ornament is finished!
- Please remember to post a picture of your owl in the Follow the White Bunny Group on Flickr or Facebook! I'd love to see your finished Scrappy Owl!

\*I used a sewing machine but I'm pretty sure this project can also be done by hand sewing your Scrappy Owl.
